

# Don't know which week it is?

Here are your new rubbish and recycling collection dates for 2010/11

**Sep** **4 Oct** **Nov**

# Your collection days

**From October 2010 you will get a weekly collection of food waste from a small bin and fortnightly collections of rubbish and recycling from wheeled bins on alternate weeks.**

To help you figure out when your different bins will be emptied we've produced this calendar. Your collection day may be changing so please check this on the table over the page. Your collection time may vary and will be any time from 7am on your collection day. If you don't have a collection, please report this by 5pm the following day.

Food waste is easy because that will be collected every week wherever you live. Your rubbish and recycling will be collected every other week, starting the week of 4 October with rubbish.

If you forget what week you are on, you can check using the calendar opposite to see whether it's a green week when recycling will be collected or a grey week when it's rubbish.

From 4 October we will no longer collect black sacks, although you can still use these in your grey bin.

If you've signed up to our garden waste scheme your brown bin will be collected on the same day as your recycling.

Some weeks your collections may be affected because of Bank Holidays. These weeks are circled on the calendar, with full details about revised collections opposite.

Occasionally bad weather, such as heavy snow or rain, may disrupt collections. If that is the case we will put regular updates on our website [www.whitehorsedc.gov.uk](http://www.whitehorsedc.gov.uk) so please check this or call 03000 610610 if you are not sure whether to put your bins out. Or why not sign up to receive a free text to remind you when to put your bins out if your collections change due to Bank Holidays or bad weather. Just send a message with the word waste and your collection day to 07797 870371 and you will receive a text the day before your collection. Please use your new collection day if yours is changing from 4 October.

For example if your collection day will be a Monday from 4 October, send a text saying waste Monday. Please remember that your bins should be put out by 7am on your collection day.

Wednesday 11 January	Thursday 12 January
Thursday 12 January	Friday 13 January
Friday 13 January	Saturday 14 January

## Received sacks instead of bins?

We will collect your food waste every week and your rubbish and recycling on alternate weeks. Please check over the page to see which day your sacks will be collected and then refer to the calendar opposite. If it's a green week, put out your food waste and green recycling sacks, and on a grey week put out your food waste and pink rubbish sacks.

**From October we will no longer be able to collect any black sacks.**

# Collection calendar 2010/11

 Green week = food waste, recycling and garden waste

 Grey week = food waste and rubbish

 A circle indicates a Bank Holiday week (please see opposite for details of how your service will change)
